Re: Addendum to Original Request for Issuance of Temporary
Marketing Permit for Grated Parmesan Cheese Aged for Six
Months Under 21 CFR 130.17 dated June 29, 1999

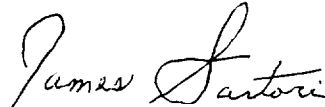

Dear Ms. Carey:

We request that you please include Grated Parmesan Cheese Aged for 6 months in a 30-lb. size (see attached label) as an addendum to our original petition. In checking our records, we realized that we had not requested this size nor sent this label with our original petition. We would like to expand our petition to include this additional product size and request that the TMP published in the Federal Register of November 8 (64 Fed. Reg. 60820 *et seq.*) be amended accordingly.

Please let me know if you have any questions.

Thank you again for your time and assistance.

Sincerely,

James C. Sartori
President
